

Cain, 2 year old male, shepherd mix: Cain is eager to please and has been very sweet with staff and volunteers at LHS. He has some basic obedience, too! He was surrendered for wariness of strangers. He does well with dogs and is crate trained. The shelter has been working with Cain and he's made huge strides. Loves dogs, just needs some patience and reinforcement with people. ***I would like to get Cain out on this round, if possible!***
